

MUHAMMAD ZAIN UL ABDEN

📍 Sargodha, Pakistan ✉️ muhammadzainweb.dev@gmail.com ☎️ 03097966970

Motivated and detail-oriented Software Engineering graduate with a strong foundation in modern web and application development. Passionate about building scalable, efficient, and user-friendly software solutions. Proficient in key technologies including PHP, Laravel, JavaScript, and MySQL, with hands-on experience in full-stack development through academic projects and internships.

Skills & Strengths

- React Native
- JavaScript
- Tailwind
- Java
- Php
- React
- CSS 3
- OOP
- Firebase
- Laravel
- HTML 5
- Bootstrap
- C++
- Mysql

Education

University Of Sargodha - Sargodha | BSSE, 2023 | 2.8 GPA

Reader College - Sargodha | Fsc Pre Engineering, 2023 | 75%

Punjab Public School - Sargodha | Matriculation, 2023 | 89%

Experience (Entry Level)

LARAVEL INTERN DEVELOPER

June 2025 - Present

Jantrah Teach, Islamabad - Islamabad, Pakistan

As a Laravel Intern Developer, I contributed to the development and maintenance of web applications using the Laravel PHP framework. I collaborated with cross-functional teams to implement backend features, optimize database queries, and integrate RESTful APIs. I gained practical experience in writing clean, scalable, and secure code, following MVC architecture and modern development standards. Throughout the internship, I improved my proficiency in PHP, MySQL, and version control tools like Git, while actively participating in code reviews and Agile development processes.

INTERN SOFTWARE ENGINEER

January 2024 - June 2024

NAXXA CONSULTING PVT. LIMITED, Islamabad, Pakistan - Islamabad, Pakistan | Jan 2024 - Jun 2024

Proficient in HTML5 and CSS3 for creating visually appealing and responsive web pages. Skilled in utilizing CSS frameworks like Bootstrap and Tailwind CSS to rapidly build custom user interfaces. Experienced in JavaScript for implementing interactive features and dynamic functionality. Knowledgeable in modern JavaScript frameworks and libraries like React. Proficient in building dynamic and responsive web applications, optimizing performance, and creating reusable components.

Tech n Dev, Sargodha, Pakistan - Sargodha, Pakistan | Jan 2023 - Sep 2023

Results-driven and detail-oriented React Native Developer with 1 year of experience creating dynamic and responsive mobile applications. Proven expertise in translating UI/UX designs into high-quality code and optimizing app performance. Seeking to contribute my skills and passion for mobile development to a forward-thinking team.

Projects

Theft Detection System

This project comprises of two circuits, a transmitter component, a receiver and zigbee module with camera and sensors to detect the motion of objects and record the video. When a motion detected in the system the system will send a notification/ alert to the user/owner of the system through an app which is developed in react native. The person will decide either to record video or ignore the alert by using app. PROGRAMMING SKILLS Motivated Software Engineering graduate passionate about crafting innovative solutions. Eager to join dynamic teams and enhance skills in software development. Languages: C++, Java, MySQL Web Technologies: HTML5, CSS3, JavaScript Frameworks/Libraries: React Native, React Specializations: Website Development , Web App Development Additional Information: Languages: Fluent in English, Urdu, and Punjabi Volunteer Work: Teacher at Bhagtanwala, Sargodha Interests: Traveling, Coding, Cricket

Certifications

- **Internship**, NAXXA CONSULTING (PVT.) LIMITED | 2024
- **Internship**, TECH & DEV | 2023
- **Introduction to HTML5**, UNIVERSITY OF MICHIGAN | 2020

Languages

Urdu - Native | **English** - Medium | **Punjabi** - Beginner
